

To all the staff at Newfield,

We just want to say thank you for all your kindness and care for Terry when he was with you. It is so wonderful to find people who care about their job as you all do and we are so thankful as a family for all you did for Terry. He is starting to settle in his new home and we hope as a family that he will continue to be happy and settled.

He has come such a long way from how he was when he left hospital and for us that is down to the amazing care you all gave him.

Thank you all so much, it means the world to us xx Mandy + Hazel xx
